Reopening Guidelines

Kansas Recreation and Park Association

Contact Tracing

Depending on the level of community spread, local and state public health departments may need to implement mitigation strategies for public health functions to identify cases and conduct contact tracing. When applied, community mitigation efforts may help facilitate public health activities like contact tracing.

The roster form will clearly outline the purpose and importance of the document.

The roster form will be provided to each team manager to list all players and coaches names and contact information to include phone number, mailing address, and email address.

The roster form will require participants under the age of 18 to include parent contact information, or adult equivalent. At least two contacts should be provided for each youth participant.

This roster form will be available at registration and/or be sent out electronically to all team managers prior to any team function.

A completed and submitted roster form will be required before participation in any aspect of the sport.

For outside rental groups, such as tournament directors, the same information will be required for each team by the renting organization.

Once completed, the form will be returned and kept with the agency.

If a positive COVID-19 case is reported from any participant or spectator, the agency will notify the local health department to provide details and to seek direction. Once directed by the health department, all individuals/families on the roster form will be notified that they may have been exposed to COVID-19. The hosting agency will provide each individual/family guidance provided by the local health department.

Allowed Organized Activities

Programs have been determined to have a low, medium and high degree of physical contact, and allowed within the appropriate phase all include modified rules, intentional scheduling and guidelines to increase safety. High risk individuals are advised to continue to stay home except for essential needs. In all cases, spectators should be limited and social distance at all times.

CONTACT SPORTS REOPENING GUIDELINES

*Due to phase one group size restrictions, no sports would be allowed during phase one. During Phase 2, travel teams may not travel outside of their county. During Phase 3, counties with a current COVID 19 positive case count of over 300 may not travel to counties with a lower positive case count.

VOLLEYBALL/BASKETBALL

	Degree of Physical Contact	Ratios & Groups	Scheduling	Hygiene	Sports Equipment	Minimizing Physical Contact	Player Areas	Signage	Spectators
Phase 2	Volleyball has incidental physical contact, while basketball has frequent physical contact. Basketball would not be allowed to play during phase two	VB games and practices would be managed to not exceed mass gatherings of 15. The mass gathering limit refers to the spectators who can not social distance, not the participants on the court.	Games and practices will be scheduled with a 30 minute buffer in between to prevent overlap of participants. Start times should be staggered where no more than half of the facility is changing over at any given time. Games may end in a draw if time expires.	The game ball(s) will be disinfected before and after every game and practice. The benches and bleachers will be disinfected between each game and practice, or whenever the participant group switches. Time will be made to allow the completion of this task.	The sharing of sports equipment will be heavily discouraged.	Teams will not switch sides with each set in volleyball. Players will not huddle after each point, or at any point during, before, or after a game. No hand slaps after games. Sportsmanship will continue in a touchless manner.	Additional benches, chairs, or other equipment may be added to where substitutes sit to encourage spacing and social distancing.	Signage will be displayed encouraging hand washing/healthy practices and describing what rule adjustments have been made. Staff should be empowered to enforce. One-way signage and/or tape should be used to limit patrons and players interactions.	Only one spectator per player for youth is encouraged. No spectators for adult games. Consideration should be given to removing bleachers from the public to be able to access. Vulnerable populations should be asked to stay home.
Phase 3	Basketball will be allowed in this phase	VB and BB games and practices would be managed to not exceed mass gatherings of 45.	Games and practices will be scheduled with a 15 minute buffer in between to prevent overlap of participants. Start times should be staggered where no more than half of the facility is changing over at any given time. Games may be played to completion.	The game ball(s) will be disinfected before and after every game and practice. Breaks will be provided to disinfect bleachers and benches every 4 hours.	The sharing of sports equipment will be heavily discouraged.	Teams will be allowed to switch sides each set in volleyball. Players will not huddle after each point, or at any point during, before, or after a game. No hand slaps after games. Sportsmanship will continue in a touchless manner.	Additional benches, chairs, or other equipment may be added to where substitutes sit to encourage spacing and social distancing.	Signage will be displayed encouraging hand washing/healthy practices and describing what rule adjustments have been made. Staff should be empowered to enforce. One-way signage and/or tape will be removed.	Two spectators per player will be allowed. Vulnerable populations should be asked to stay home.
Phase 4	No Restrictions	No Restrictions	No Restrictions	No Restrictions	No Restrictions	Sportsmanship will continue in a touchless manner.	No Restrictions	Signage will be displayed encouraging hand washing/healthy practices.	Vulnerable populations should be asked to stay home.

CONTACT SPORTS REOPENING GUIDELINES

*Due to phase one group size restrictions, no sports would be allowed during phase one. During Phase 2, travel teams may not travel outside of their county. During Phase 3, counties with a current COVID 19 positive case count of over 300 may not travel to counties with a lower positive case count.

SOFTBALL/FASTPITCH/BASEBALL

	Degree of Physical Contact	Ratios & Groups	Scheduling	Hygiene	Sports Equipment	Minimizing Physical Contact	Player Areas	Signage	Spectators
Phase 2	Softball, Fastpitch, and Baseball all have a low degree of physical contact, and would be allowed for play in phase two.	Spectators are required to practice social distancing. Each ball diamond would be managed to not exceed mass gatherings of 15. The mass gathering limit refers to the spectators who can not social distance, not the participants on the field.	PRACTICES will be scheduled with a 15 minute buffer in between to prevent overlap of participants. GAMES will be scheduled with a 30 minute buffer in between to prevent overlap of participants and spectators. Start times should be staggered where no more than half of the complex is changing over at any given time. Games may end in a draw if time expires.	The benches and bleachers, for participant use only, will be disinfected between each game and practice, or whenever the participant group switches. Time will be made to allow the completion of this task. The use of dugout water coolers and otherwise shared water bottles will not be allowed. Teams are required to clean their dugout of all trash and other items before and after each game, and to wipe down hard surfaces such as benches, bat racks, etc. with sanitizing products. Two disinfecting stations per field for patrons use. Facility attendants will spray disinfectant on hand rails and other commonly-used touch points frequently.	The game ball(s) will be disinfected before and after every clinic, game and practice. Each team will pitch with their own balls to limit ball contact to players of the same team. The umpire will not have contact with the ball. Teams need to have balls on the ready for when a ball goes out of play. The sharing of catchers equipment will not be allowed. The sharing of sports equipment (helmets and bats) is strongly discouraged, if sharing is necessary, coaches must disinfect equipment and let air dry for 10 min. between each use.	All umpires must wear a PPE or cloth mask. Each batter/base runner is strongly encouraged to wear a mask. Managers meeting at home plate should be limited to one coach from each team, plus the umpires. No players at the plate meeting. Limit bench/dugout to essential team personnel. Players will not huddle at any point during the game/practice. Sportsmanship will continue in a touchless manner - no handshakes/slaps/fist bumps after games. TOURNAMENTS - Awards ceremonies will not take place, however the Tournament Director of the event will hand awards to the coaches. Team pictures will be at the discretion of coaches and parents.	The batting team may have half of their team in the dugout, utilizing 6 ft. distancing. The other half will be outside the field, utilizing 6 ft. distancing. Participants may use the bleachers if disinfected between each inning.	Signage will be displayed encouraging hand washing/healthy practices and describing what rule adjustments have been made. Staff should be empowered to enforce. To discourage spitting, no sunflower seeds would be allowed. One way signage and/or tape should be used to limit patrons and players interactions.	Only one spectator per player for youth is encouraged. No spectators for adult games. Lines around restrooms, concession stands or otherwise throughout the event are discouraged, but if necessary, please maintain a distance of 6 feet at all times. Consideration should be given to removing bleachers from the public to be able to access. Vulnerable populations should be asked to stay home. TOURNAMENTS - teams must pre-pay gate fees. When using a tent, please restrict it to family members only.
Phase 3	Softball, Fastpitch, and Baseball all have a low degree of physical contact.	Spectators are required to practice social distancing. Each ball diamond would be managed to not exceed mass gatherings of 45.	Games and practices will be scheduled with a 15 minute buffer in between to prevent overlap of participants. Start times should be staggered where no more than half of the facility is changing over at any given time. Games may be played to completion.	The benches and bleachers, for participant use only, will be disinfected between each game and practice, or whenever the participant group switches. Time will be made to allow the completion of this task. The use of dugout water coolers and otherwise shared water bottles will not be allowed. Teams are required to clean their dugout of all trash and other items before and after each game, and to wipe down hard surfaces such as benches, bat racks, etc. with sanitizing products. Two disinfecting stations per field for patrons use. Facility attendants will spray disinfectant on hand rails and other commonly-used touch points frequently.	The game ball(s) will be disinfected before and after every clinic, game and practice. Each team will pitch with their own balls to limit ball contact to players of the same team. The umpire will not have contact with the ball. Teams need to have balls on the ready for when a ball goes out of play. The sharing of catchers equipment will not be allowed. The sharing of sports equipment (helmets and bats) is strongly discouraged, if sharing is necessary, coaches must disinfect equipment and let air dry for 10 min. between each use.	All umpires must wear a PPE or cloth mask. Each batter/base runner is strongly encouraged to wear a mask. Managers meeting at home plate should be limited to one coach from each team, plus the umpires. No players at the plate meeting. Limit bench/dugout to essential team personnel. Players will not huddle at any point during the game/practice. Sportsmanship will continue in a touchless manner - no handshakes/slaps/fist bumps after games. TOURNAMENTS - Awards ceremonies will not take place, however the Tournament Director of the event will hand awards to the coaches. Team pictures will be at the discretion of coaches and parents.	The batting team may have half of their team in the dugout, utilizing 6 ft. distancing. The other half will be outside the field, utilizing 6 ft. distancing.	Signage will be displayed encouraging hand washing/healthy practices and describing what rule adjustments have been made. Staff should be empowered to enforce. One-way signage and/or tape will be removed.	Two spectators per player will be allowed. Lines around restrooms, concession stands or otherwise throughout the event are discouraged, but if necessary, please maintain a distance of 6 feet at all times. Vulnerable populations should be asked to stay home. TOURNAMENTS - teams are encouraged to pre-pay gate fees. When using a tent, please restrict it to family members only.
Phase 4	Softball, Fastpitch, and Baseball all have a low degree of physical contact.	Spectators are encouraged to practice social distancing.	No Restrictions	The benches and bleachers, for participant use only, will be disinfected between every two games. Time will be made to allow the completion of this task. The use of dugout water coolers and otherwise shared water bottles will not be allowed. Teams are required to clean their dugout of all trash and other items before and after each game, and to wipe down hard surfaces such as benches, bat racks, etc. with sanitizing products. CONTACT SPORTS REOPENING GUIDELINES

*Due to phase one group size restrictions, no sports would be allowed during phase one. During Phase 2, travel teams may not travel outside of their county. During Phase 3, counties with a current COVID 19 positive case count of over 300 may not travel to counties with a lower positive case count.

CONCESSIONS/COMPLEX

	Staffing	Menu	Payment	Hygiene	Customer Lines	Restrooms	Gate	Signage	
Phase 2	One person per concession would be allowed. Extra maintenance staff must be available for additional cleanings.	Food will be made to order or a limited menu will be available. No self service options allowed. Condiments upon request.	If possible, cashless/pre order options will be used.	Hand Sanitizers will be made available for staff and public at registers. Disinfect registers before/after each shift. Service counters and other high touch areas will be disinfected frequently; hourly at a minimum.	Ground marks will be provided to direct where 6 ft. apart is. Patrons will be asked to adhere.	Staff will shut down and sanitize restrooms every 2 hours, or every other game.	Gate collection will not be allowed.	Signage will be displayed encouraging hand washing/healthy practices. To discourage spitting, no sunflower seeds will be sold.	
Phase 3	Three people per concession would be allowed. Extra maintenance staff must be available for additional cleanings.	No self service options allowed. Condiments upon request.	If possible, cashless/pre order options will be used.	Hand Sanitizers will be made available for staff and public at registers. Disinfect registers before/after each shift. Service counters and other high touch areas will be disinfected frequently; every 2 hours at a minimum.	Ground marks will be provided to direct where 6 ft. apart is. Patrons will be asked to adhere.	Staff will shut down and sanitize restrooms every 4 hours, or every 4 games.	Gate collection will be allowed with precautions. Hand sanitizers will be readily available for workers and public at gate table.	Signage will be displayed encouraging hand washing/healthy practices. To discourage spitting, no sunflower seeds will be sold.	
Phase 4	No Restrictions	No Restrictions	No Restrictions	Hand Sanitizers will be made available for staff and public at registers. Disinfect registers before/after each shift. Service counters and other high touch areas will be disinfected as needed.	No Restrictions	Staff will shut down and sanitize restrooms midday or as needed	Gate collection will be allowed with precautions. Hand sanitizers will be readily available for workers and public at gate table.	Signage will be displayed encouraging hand washing/healthy practices.	

Non Contact Sports Reopening Guidelines

Example: Gymnastics

	Degree of Physical Contact	Ratios & Groups	Scheduling	Sanitation & Cleaning	Hygiene	Sports Equipment	Minimizing Physical Contact	Check-in Procedures	Signage	Spectators
Phase 2	Programs have been determined to have a low degree of physical contact, and would be allowed for participation in phase two. High risk individuals are advised to continue to stay home except for essential needs.	Limited to 50% of maximum occupancy set forth by the Fire Marshall and/or no more than 15 individuals gathered within one space.	Follow scheduling practices that conform with management of max occupancy guidelines and accommodate a 15 minute buffer to allow for transitioning between classes.	Fundamental cleaning and public health practices will be followed, including industry specific guidelines as provided on covid.ks.gov. Compliance with additional best practices guidance for our business sector.	Apparatuses will be disinfected before and after every class. The parent seating area and personal belonging area will be disinfected between each class. Time will be made to allow for the completion of this task.	Apparatus work will be allowed but the foam pit will continue to be off limits. Equipment should not be shared when possible and will be sanitized before and after every morning and evening session.	Activities require physical distancing, Rotations will ensure same groups remain together and don't intermix and the number of individuals allowed in specific areas may be limited to further encourage physical distancing.	Staff will greet child and parent at designated area and sign the child in. Personal belongings will be placed in the designated area.	Signage will be displayed encouraging hand washing/healthy practices and describing what rule adjustments have been made. Staff should be empowered to enforce. One-way signage and/or tape should be used to limit patrons and participant interactions.	Parents/guardians are asked to consider staying in their cars during their participant's class. Only one spectator per child is allowed. To achieve physical distancing, spectator seating areas will be reduced. High risk individuals are advised to continue to stay home except for essential needs.

	Degree of Physical Contact	Ratios & Groups	Scheduling	Sanitation & Cleaning	Hygiene	Sports Equipment	Minimizing Physical Contact	Check-in Procedures	Signage	Spectators
Phase 3	Programs have been determined to have a low degree of physical contact, and would be allowed for participation in phase two. High risk individuals are advised to continue to stay home except for essential needs.	Limited to 75% of maximum occupancy set forth by the Fire Marshall and/or no more than 45 individuals gathered within one space.	Follow scheduling practices that conform with management of max occupancy guidelines and accommodate a 15 minute buffer to allow for transitioning between classes.	Fundamental cleaning and public health practices will be followed, including industry specific guidelines as provided on covid.ks.gov. Compliance with additional best practices guidance for our business sector.	Apparatuses will be disinfected before and after every morning and evening session. Phase Out	Full availability	100% max occupancy allowed	Use facility guidelines	Use facility guidelines	Follow local guidelines for any recommendations	Provide handwashing/hand sanitizer before and after each activity.	Use facility guidelines.	Programs are back to operating normally.	Use facility guidelines	NA	Facility guidelines and cleaning will likely have changed due to the current pandemic. Update all necessary lists and files for your facility.

THEMED CAMP REOPENING GUIDELINES

Licensed Childcare and Camp Guidelines will be released per KDHE requirements as soon as possible

	Ratios & Groups	Square Feet/ % of Licensed Capacity	Sanitation & Cleaning	Hygiene	Transportation	Check-in/ Check-out Procedures	Programming	Food & Beverages	Visitors	Additional Notes
Phase 1	1:9, same children in group with same staff each day, no intermingling of groups.	36 sq. ft. per person represents social distancing. 10 people per active use zone if social distancing not possible.	Clean, sanitize, and disinfect frequently touched surfaces every 4 hours, disinfect supplies and equipment between each group. Maintain daily opening and closing sanitation schedule to ensure that all items are cleaned.	Reinforce frequent and proper handwashing upon check-in, every hour and anytime someone touches their face, sneezes or coughs. Encourage staff use of masks.	Transport limited to off- site evacuation (weather or emergency), with children spaced evenly throughout the bus.	Staff will greet child at designated entrance or car (no parents should enter facility), perform wellness check, and sign the child in (no sharing of pens). Upon pickup, staff will meet & verify authorized adult, release child and sign them out.	Activities should encourage physical distancing, supplies and equipment should not be shared when possible and sanitized between each use if shared. Meals and outdoor times should be rotated so that same groups remain together and don't intermix.	Food and beverages should be served in individual portions (not family style) and utensils should not be shared (disposable cups, plates, & utensils should be used when possible). Children bringing lunches from home should bring them in a disposable bag when possible. Meals and snacks should be consumed with assigned group and should not share space with other groups when eating. Careful cleaning and sanitizing procedures will be followed before and after food consumption.	Restrict all non-essential visitors, maintain detailed visitor log of all persons entering facility	Personal items should be contained and remain separate from other children's belongings.
Phase 2	1:15, same children in group with same staff each day, limited intermingling of groups.	36 sq. ft. per person represents social distancing. 15 people per active use zone if social distancing not possible.	Clean, sanitize, and disinfect frequently touched surfaces throughout the day. Maintain daily opening and closing sanitation schedule to ensure cleanliness.	Reinforce frequent and proper handwashing upon check-in, every hour and anytime someone touches their face, sneezes or coughs. Encourage staff use of masks.	Transport limited to off- site evacuation (weather or emergency), with children spaced evenly throughout the bus.	Staff will greet child at designated entrance or car (no parents should enter facility), perform wellness check, and sign the child in (no sharing of pens). Upon pickup, staff will meet & verify authorized adult, release child and sign them out.	Activities should encourage physical distancing, supplies and equipment should not be shared when possible and sanitized between each use of shared. Meals and outdoor times should be rotated so that same groups remain together with limited intermingling	Food and beverages should be served in individual portions (not family style) and utensils should not be shared (disposable cups, plates, & utensils should be used when possible). Children bringing lunches from home should bring them in a disposable bag when possible. Meals and snacks should be consumed with assigned group and should not share space with other groups when eating. Careful cleaning and sanitizing procedures will be followed before and after food consumption.	Restrict all non-essential visitors, maintain detailed visitor log of all persons entering facility	Personal items should be contained and remain separate from other children's belongings.
Phase 3	1:15, same children in group with same staff each day, limited intermingling of groups.	36 sq. ft. per person represents social distancing. 45 people per active use zone if social distancing not possible.	Clean, sanitize, and disinfect frequently touched surfaces throughout the day. Maintain daily opening and closing sanitation schedule to ensure cleanliness.	Reinforce frequent and proper handwashing upon check-in, every hour and anytime someone touches their face, sneezes or coughs.	Transport limited to 30 minutes on bus or van.	Staff will meet parents at designated entrance and will sign in/out each child (no sharing of pens).	Activities should encourage physical distancing, shared supplies and equipment should be disinfected throughout the day, larger group activities should be limited to 20 minutes, not to exceed 30 children at one time.	Food and beverages should be served in individual portions (not family style) and utensils should not be shared (disposable cups, plates, & utensils should be used when possible). Children bringing lunches from home should bring them in a disposable bag when possible. Meals and snacks should be consumed with assigned group and should not share space with other groups when eating. Careful cleaning and sanitizing procedures will be followed before and after food consumption.	Restrict parent access to sign-in/sign-out area at entrance of facility, maintain detailed visitor log of all persons entering facility	Personal items should be contained and remain separate from other children's belongings.
Phase 4	1:15 groups with same staff when possible	Operate at Capacity, School Age programs not to exceed 100 children per space	Clean, sanitize, and disinfect frequently touched surfaces throughout the day. Maintain daily opening and closing sanitation schedule to ensure cleanliness.	Reinforce frequent and proper handwashing upon check-in and anytime someone touches their face, sneezes or coughs.	Practice physical distancing and minimize time on bus/van when transporting children.	Parents will sign in/out each day. Programs should have a method of minimizing the transfer of germs from pens.	Activities should encourage physical distancing, shared supplies and equipment should be disinfected as needed, and when receiving heavy use.	KDHE Regulations should be followed with regard to food service. Careful cleaning and sanitizing procedures should be followed before and after food consumption.	All visitors should check in with staff before entering the facility.	Staff should monitor children and other staff for signs and symptoms of illness and follow exclusion and reporting guidelines.

SPLASH PADS REOPENING GUIDELINES

	Ratios & Groups	Signage	Hygiene	Programming	Additional Notes
Phase 1	NA	Must be posted as closed	NA	NA	Closed
Phase 2	Small fenced Splash Pads only with enforceable social distancing and informative signage may be allowed	All restrictions and recommendations must be posted at a minimum at all access points or every 30 ft around splash pad.	Reinforce frequent and proper handwashing and use of hand sanitizer before and after use or following sneezing and coughing.
